

## Grants by Grant Cycle

Grants matching your search for **2009-10 Household Hazardous Waste Discretionary Grants (HD18 )**

### Del Norte County

**Grantee:** Del Norte Solid Waste Management Authority

**Amount Awarded:** \$400,000.00

**Grantee Contact:** Mr. Tedd Ward

**CalRecycle Grant manager:** Linda Dickinson

**Project Summary:** This grant will provide the means to create significant statewide progress towards implementing, extended producer responsibility (EPR) in California by achieving the following: -Continuing to build knowledge and capacity throughout the state through outreach and presentations

-Conducting EPR workshops that focus on current developments, bringing together all stakeholders including local government, other organizations, retailer associations and producers.

-Focusing media attention on EPR to ensure that the public is informed and engaged

-Development of public/private partnerships via producer direct and retailer take-back programs to address local service gaps-identifying participation benefits for retailers and producers

-Focusing efforts to enlist the support of the business community which is essential for success

-Creating a Stewardship Awards to recognize businesses that embody product stewardship principles

*Total Awarded for County:\$400,000.00*

### Kings County

**Grantee:** Kings Waste and Recycling Authority

**Amount Awarded:** \$137,694.00

**Grantee Contact:** Mr. Jeff Monaco

**CalRecycle Grant manager:** Linda Dickinson

**Project Summary:** New regional medical sharps program with Kings County Public Health Department, public health clinics and local medical offices. Expansion of e-waste collection program. Expansion of universal wastes recycling program to target fluorescent lighting recycling. Promote use of CFLs with bulb exchange program. Continuation and augmentation of electronic wastes collection with mobile collection vehicle and permanent HHW facility events. Partnership with Community Services Education and Training, non-profit organizations. Direct outreach to point of sale collection for batteries, fluorescent tubes. Develop comprehensive public education program for all elements. Comprehensive publicity and education program.

*Total Awarded for County:\$137,694.00*

### Los Angeles County

**Grantee:** San Gabriel Valley Council of Governments

**Amount Awarded:** \$395,951.00

**Grantee Contact:** Mr. Nicholas T. Conway

**CalRecycle Grant manager:** Linda Dickinson

**Project Summary:** The purpose of this grant is to build knowledge and capacity among San Gabriel Valley local governments, retailers, producers, and other stakeholders to begin the transition from government-managed and financed product end-of-life (EOL) systems to producer-managed and financed EOL systems for products banned from trash under the universal (u-waste) disposal ban. For the purposes of this grant, the SGVCOG will (1) operate an education and outreach program focusing on universal waste and (2) develop pilot business mercury bulb and battery take-back programs in all of its member jurisdictions, with the exception of unincorporated areas of Los Angeles County and the Cities of Industry, La Puente, and Walnut who currently operate an independent HHW management program for their residents.

*Total Awarded for County:\$395,951.00*

### Sacramento County

**Grantee:** City of Elk Grove

**Amount Awarded:** \$39,914.00

**Grantee Contact:** Ms. Cedar Kehoe

**CalRecycle Grant manager:** Linda Dickinson

**Project Summary:** Design a PHHWF and augment the existing educational/informational programs.

*Total Awarded for County:\$39,914.00*

## San Mateo County

**Grantee:** San Mateo County

**Amount Awarded:** \$382,290.00

**Grantee Contact:** Ms. Mary B. Austin

**CalRecycle Grant manager:** Linda Dickinson

**Project Summary:** The project will implement San Mateo County's resolution supporting extended producer responsibility (EPR). The four main components include: Educating elected officials and other key stakeholders about the proposed EPR framework. Expansion of the retail take-back program for universal waste lamps and batteries. Upgrades to the Environmentally Preferable Purchasing practices, to include EPR. Infrastructure improvements to the permanent HHW facility, to enable safe handling of increased U-Waste volumes.

*Total Awarded for County:\$382,290.00*

## Solano County

**Grantee:** City of Vallejo

**Amount Awarded:** \$104,237.00

**Grantee Contact:** Mr. Derek Crutchfield

**CalRecycle Grant manager:** Linda Dickinson

**Project Summary:** The proposed project will establish a sharps collection program that will provide a solution for home sharps for residents of the City of Vallejo. The program will include sharps drop boxes, collection containers, pick-up, transport, and disposal of sharps at convenient collection points throughout the community.

*Total Awarded for County:\$104,237.00*

## Tuolumne County

**Grantee:** Tuolumne County

**Amount Awarded:** \$39,914.00

**Grantee Contact:** Mr. Mike Laird

**CalRecycle Grant manager:** Linda Dickinson

**Project Summary:** Mariposa and Tuolumne Counties are submitting a regional proposal because we face similar situations with numerous small communities situated throughout the two counties. In addition, one of the more densely populated areas, Lake Don Pedro, straddles both counties. The proposal is to develop three satellite facilities to provide household hazardous waste (HHW) and conditionally exempt small quantity generator (CESQG) service. We would like to provide HHW pick up service for specific targeted groups such as senior low income and senior disabled.

*Total Awarded for County:\$39,914.00*

**Grant Count:** 7

**Grand Total for Selected Counties: \$1,500,000.00**
